Volume 2, Issue 16

Slow Payments Affecting Your Bottom Line?

Aging Accounts Receivable invoices can adversely affect your companies books, so consider adding in a late fee or service charge into your contracts. A standard feature of SL is the ability to generate finance charges and notify customers via invoice statements. This will create a sense of urgency to your customers and help to get bills paid in full and on time.

Microsoft Dynamics SL has a feature called Small Balance and Credit write off which speeds clean up of small debit and small credit balances including unpaid finance charges, so that if the customers do not pay the late charges, clearing your AR detail is a quick and simple task. The system will create either a credit or a debit memo and automatically apply it to the original document.

By creating an incentive to pay faster, you can significantly cut the time spent waiting for payment. For more information on how to take advantage of this feature of Microsoft Dynamics SL call Cardamel at 1-888-236-3269 or visit mbs.microsoft.com/customersource.

Year End Savings on License Fees

For a limited time Microsoft Dynamics customers can buy four Microsoft Dynamics ERP user licenses and get one user license free. To qualify, you must be on a current enhancement plan. But hurry! This offer expires on December 23, 2009.

To get your free license, call Cardamel today at 1-888-236-3269

Save the Date for Our Client Holiday Party

Mark your calendars for our annual Client Appreciation Party December 9, 2009 from 5:30 p.m.—9:00 p.m. at Cool River Café in the Denver Tech Center. Join us for drinks, food and a great time connecting with other Dynamics users. Call 303-984-0754 to reserve your spot today or email info@cardamel.com.

Get Rewarded for Renewing

For a limited time, you can get up to 20% off your next qualifying license purchase when you renew your service plan with Cardamel. There is a minimum purchase of \$2500 and orders must be placed with 90 days of your annual enhancement renewal date.

To take advantage of this special offer, call Cardamel today at 1-800-236-3269 and renew your service plan. But hurry, this offer expires June 30, 2010.

Cardamel Places 9th in Denver Business Journal Best Places to Work Awards

The Denver Business Journal announced that Cardamel took 9th Place in the Best Places to Work Awards on November 19, 2009. This award is given based upon employee input.

Cardamel is now supporting:

Microsoft Dynamics SL 7.0
Feature Pack 1

Microsoft Dynamics GP 10.0
Service Pack 4

Upgrade Your Estimating Software

In the past users of Microsoft Dynamics SL have needed to rely on Quickbooks for estimating. Now through an exclusive regional partnership with Meridian Systems, Cardamel is offering Prolog Construction Project Management. Automate day-to-day tasks and processes from project design to close-out with seamless integration into your accounting system.

Prolog enables you to manage project collaboration workflow, perform robust construction project management, reduce your project schedule by collaborating more effectively with your project team and manage multiple projects in one database. Generate summary reports and queries across all projects while identifying trends and problems early. Make critical decisions using accurate corporate information and do more with less.

With Prolog software, you now have a full range of complementary solutions to Architecture/Engineering/Construction (AEC) companies and building owners managing capital projects. This addition to Cardamel solutions allows us to combine our software expertise, real-world construction industry experience and the high levels of service you have come to expect from us, providing a turn-key full-service solution for our AEC companies.

To find out more about how Prolog can help your company, call Cardamel today at 1-888-236-3269 or email us at info@cardamel.com.

Take Advantage of the Connected Business Offer for Microsoft Dynamics GP

If you are currently using Microsoft Dynamics GP, now is the time to take advantage of the recently released Microsoft Dynamics CRM 4.0 Adapter for Microsoft Dynamics GP 10.0. This promotion gives you a 20% discount on the initial purchase of user licenses off the relevant Dynamics Price Lists for the complementary product.

This offer is only good until June 25, 2010 and requires a minimum purchase of 4 user licenses. Some restrictions apply and you must be on an active enhancement plan to take advantage of this offer. To find out more, call Cardamel today at 1-888-236-3269 or email info@cardamel.com.

Join us at IBS 2010 in Las Vegas

The 2010 International Builders' Show is the single most important and largest homebuilding industry event of the year. This interactive trade show will feature the industry's leading suppliers displaying their latest innovations.

Kova Solutions will be available to homebuilders with live demonstrations on their unique, complete production management and financial management package that allows potential prospects to build a strong emotional connection through an interactive web experience that transitions into your accounting system seamlessly. From sales to production to warranty, this solution will provide visibility every step of the way.

Visit the Cardamel/Kova Solutions **Booth #C352** and talk directly with Cardamel representatives about how the Kova Solution and Microsoft Dynamics SL can help your business. If you are already using Kova, be sure to stop by and tell your story. Schedule your appointment today by calling 1-888-236-3269 to guarantee immediate assistance. To register for the International Builders' Show go to www.buildersshow.com.
